BRECON FAIRDAY SALE OF HORSES AND PONIES
SATURDAY 3RD NOVEMBER 2012

Over 240 lots of Horses and Ponies were put under the hammer at the Special Annual Fairday Sale at Brecon.

The trade reflected the National trend in that the top end was easily sold on a strong demand, although prices may have been disappointing compared to previous years.

The Champion of the day was a section D foal from Mr R Morgan, 2 Dixon Street, which made £315 and was first through the ring, whilst the Section A Colt Foals were won by a very small pony from Miss IJ Evans, Llwynhywel, Abersytwyth which made £231.

The Fillies topped at £210 for a very smart Section A Registered Foal from Mrs S Davies of Cwm Farm.

A Shetland Filly Foal from Mrs Oliver, Panteg made £210 and £136 of another, which were well sold on the trade.

Section D Mares were up to £441 for a very correct 5 year old mare from Miss S Pritchard, Tyisha and another from the same stable made £305.

Another tremendous run of coloured gypsy cob x foals from that noted breeder Messrs Powell, Llwyngwillim were easily sold to a capacity crowd of buyers who always attend.

The Fillies topped at £630 and £504 with a 100% clearance and another at £273 for young foals, whilst colts topped at £147 and £110.

The general trade for the Section A Foals was far better than everyone anticipated with virtually nothing making under £20 and Colts ranging from £20 up to £630 which although is still no benefit to the breeders, it still confirms that there is a market, especially for the best quality types.
