## BRECON MARKET REPORT TUESDAY 7<sup>th</sup> FEBRUARY 2017

### 760 PRIME HOGGETS

An improved entry of hoggets was met by a stronger demand from the buyers. All weights were wanted and sold to an improved trade in comparison to the end of last week. Topping twice at 199pkg was S & S Gibbons Dan Y Mynydd. The medium weights averaged 172.5pk/g with plenty of pens sold over 175p/kg, over 45kg at 170p/kg. Again this week the light weights sold to an improved trade of 168pkg. A week where 3 buyers with battling over hoggets, more could have been sold to advantage. The overall SQQ was 173pkg with an overall average of 170pkg. Lets keep these lambs coming to Brecon as we can sell them as good as anywhere. "SELL LIVE AND THRIVE"
