

Sale Report

Collective Machinery Sale at The Beech, Little Hereford, on 11th Sept 2010.

A large, keen crowd gathered on a fine day at The Beech, and ensured bidding was fierce for the lots for sale throughout the day.

Entries were wide ranging, with the small tools and garden equipment proving to be of particular interest to many. The backbone of this section was a large number of new tool lots from H. Harris and Son.

Interest grew and with it came strong bidding, as the large farm machinery came up for grabs.

Top price for the day was achieved by John Stinton's Marshalls slurry tanker. The hammer finally dropped at £8000, as what was an outstanding piece of equipment sold to Mr. Jones of Conway.

Other lots of note include:

A set of Vaderstad hydraulic rolls going away for £2150, and an Armstrong Holms grain trailer that achieved a very healthy £1560.

Under the banner of grounds care, a Partner garden tractor sold for an attractive £260.

It was also pleasing to see a selection of Vintage tractors presented for sale. A David Brown 780 selectomatic topped the order at £800 and a Nuffield 4/25 came in a close second at £780.

Our thanks go out to all vendors and buyers, as without their support the sale would not have been such a success. We are now inviting entries for our next sale on **Saturday 23rd October.**
