## **Machinery Sale 26<sup>th</sup> February 2011**

A fantastic day at The Beech, Little Hereford, after a wet and miserable week the heavens parted and sunshine reappeared. A fantastic entry of lots were presented to sale, a 1.5 tonne Mini Digger made an excellent £6,500, a lovely Case 1390 with a loader sold for £2,200, this was followed by a Ford 3000 which was in a first class condition and sold for £1,950. A selection of fertilizer spinners all sold well and were topped out by a Kuhn spinner at £1,725. There was also a large quantity of livestock equipment for sale and the star item in this category was a sheep drafting race which sold for £380. As ever there was a good selection of new and second hand workshop tools which were keenly contested over.

**The next sale will be held on Saturday 26<sup>th</sup> March 2011.** As ever all entries welcome, further details of the sale are available from Michael Thomas or Nick Baxter at the market office on 01584 872251.
