SHEEP – 1091

A much brighter trade than anticipated with the back log from last week still being taken up and the Muslim festival of Ede drawing to a close. Even on an easier trade lambs still peaked at £102 (190p/kg).

We cannot emphasise enough the need for LAMBS TO BE MEAT WITH GOOD FINISH. If they are not meat please sell them in the stores – we can make more of them and you will be better off!!

The overall average of 183p/kg was 6p better than the national quotation for Wednesday.

Cull ewes were closely followed but a similar story to the lambs in terms of demand and requirements. Strong ewes to £84.50 averaging £42.00.
